COOCH BEHAR GOVERNMENT ENGINEERING COLLEGE

Some existing newly admitted 2nd year Lateral Entry students may cancel their candidature from CGEC due to various reasons and those seats may be included in the seat matrix for decentralized counselling on 11th December 2023.

Some candidates who have already been admitted to CGEC through WBJEEB conducted centralized counselling process, have also applied in the CGEC decentralized counselling and there is possibility that the candidates may get some other department through the current process. In that case, there will be vacancies in those previously occupied seats. In view of those situations, the decentralized counselling process will be conducted in the following way:

- Candidates will report at CGEC Admin Building, submit the hard copy of application (if not submitted already) on 11th December 2023 strictly before 12:30 PM and sign on attendance sheet. Entry gate will be closed at 12:30 PM.
- At arrival or from around 11:00 AM onwards, the candidates as per sl. no. of the “Application Status List” will be called for the original document verification. A verification report will be handed over to the candidate. In case of any discrepancies found during the document verification process, the candidature will be cancelled immediately. After successful document verification, the candidate will be asked to wait in a specified classroom.
- The counselling will begin at 02:30 PM. The candidates will be called as per the updated “Application Status List” to the counselling desk. As the counselling process is completely sequential based on GMR, the candidature of the candidate, who fails to report at the counselling call, will be cancelled. The vacant seat matrix will be visible to the candidate and he/she will be asked about his/her choice. There may be the following outcomes of the counselling.
 - If there is a vacancy as per the candidate’s choice, and the candidate wish to be admitted, then he/she will have to submit the signed “CONFIRM” Form to confirm his/her admission for the requested choice. If the candidate was previously (through centralized counselling 2023) admitted to CGEC, he/she should also declare that he/she is requesting for cancellation of his/her candidature from the previous allotment so that the vacancy can be considered in the final round of counselling on the same day. These dynamically created vacancies will be made visible to the waiting candidates.
 - If there is NO vacancy as per the candidate’s choice, the candidate will have two choices:
 - He/she may wait for the final round by submitting the “WAIT LIST” Form. He/she will be included in the waiting list.
 - He/she may leave the counselling process immediately.

Note: Like previous years, the whole process will be streamed online on YouTube (technically supported by our current students).

COOCH BEHAR GOVERNMENT ENGINEERING COLLEGE

- The “CONFIRM” candidates will pay the required admission fees through SBI collect only.
- This process will continue until all of the current vacant seats are filled up or there is no suitable candidate present.
- The new vacancy seat matrix and the waiting list will be published after the first round allotment is over.
- The candidates as per the waiting list will be called for counselling. The new vacant seat matrix will be visible to the candidate and he/she will be asked about his/her choice. There may be the following outcomes of the counselling.
 - If there is a vacancy as per the candidate’s choice, and the candidate wish to be admitted, then he/she will have to submit the signed “CONFIRM” Form to confirm his/her admission for the requested choice. If the candidate was previously (through centralized counselling 2023) admitted to CGEC, he/she should also declare that he/she is requesting for cancellation of his/her candidature from the previous allotment.
 - If there is NO vacancy as per the candidate’s choice, the candidate may leave the counselling process immediately.
- The “CONFIRM” candidates will pay the required admission fees through SBI collect only.
- This process will continue until all of the current vacant seats are filled up or there is no suitable candidate present.

Notifications related to admission of 2023-24 will be notified time to time as required in the cgec.org.in. Students are requested to keep track of those notices for necessary action.
