Bid Rank								L2	L3	L4	L1

Item wise lowest bid ranking is not possible for this tender due to the mutual compatibility issues corresponding to the items (e.g. item(x) for which the bid is offered by one bidder may not be compatible with the item(y) for which the bid is offered by another bidder (where x ≠ y)). Naturally, all the items must be supplied by a single bidder in order to ensure the mutual compatibility between the items. Therefore, the bid ranking based on the total quoted rates by the bidders is strictly recommended. The total rate quoted by **P S Electrocon Solution** for total amount of **Rs. 2,41,310/- (rupees two lakhs forty one thousand three hundred ten only) [including tax]** is the lowest which is recommended to the competent authority for approval.
